Pt. Ravishankar Shukla University

Aug 2021 - July 2024

Bachelors of Computer Application

SKILLS

FRONTEND

HTML, CSS, JavaScript, TypeScript, React, Next.js, Zustand, Tailwind, Framer Motion

BACKEND

Node.js, Express, Supabase, Firebase

DATABASES

MongoDB, MySQL

PROJECTS

Cafe eloy - Website & Admin Panel for Local Café

- Built a full-stack website with online ordering, private cabin/dine-in booking, and a custom admin dashboard.
- Deployed via GitHub Actions CI/CD to Vercel and Render for seamless updates and scalability.

Approved - Slack-Based Approval Workflow

- Created a Slack-integrated system for streamlined request/approval flows with instant notifications for organizational efficiency.
- Deployed on Render to ensure fast performance and easy integration into team workflows.
